Good News – S&R Prices Frozen

Unlike most of the media this newsletter is keen to publish good news! As a result we are pleased to announce that we will not be increasing the vast majority of our prices in 2009. We hope this will be of some assistance.

The only exceptions are small increases to the Lakeone, Liberon & Konig Prices. In these instances we have done our best to limit the increase.

MULTiSEAL White Knot Sealer

The best way to seal knots in timber before painting. A white one coat application, MULTiSEAL is less expensive and equally as good as the market leader Zinsser B-I-N. It will prevent knots in the wood coming through the paint. Methylated Spirit based it has been formulated to seal, prime and block out stains on previously painted or new work.

Press Release

In recent months we have continued our strategy to make more people aware of our company. In particular a full page article in The Herald interviewed our Managing Director Ian McAslan about his aspirations for the firm. The article can be viewed in the News section of our website www.frenchpolishes.com

Please contact us for further information on any of the items listed in this edition. All prices are subject to VAT.
